HAYNES BAKER UPDATE

Mr. Baker has been treated in the hospital all week. They've been trying to regulate his blood pressure, blood sugar, and fluid retention. He's had some periods of nausea and weakness, however Friday was a good day. They're going to keep him in the hospital over the weekend. He may be discharged into a rehab facility for a short time or possibly home health care. It will be one of those two depending on how he does over the next couple of days.

LADIES CLUB RALEIGH

Has been rescheduled for Feb 2 with details to follow.

HICKORY FOI PROJECT

From Gale Maranville: The weather this weekend forecasts snow and ice, so **we are postponing the Tea and FOI project until the following Sunday, January 20th**. Hopefully everyone can make this date. Please RSVP asap, so I can provide enough seating for the Tea luncheon.

Kristin and Rachel have some beautiful cards to mass produce. The more hands the merrier.

Let's still do the cookie exchange and plan on bringing 2 dozen. If you have already made them, freeze them.

We will bag them here for you to take home.

It should be a rewarding and productive day.

FI SUMMER CLASSES AT HQ

The faculty and administration of Foundation Institute are excited to announce the dates of this summer's FI Continuing Education seminar. These weeklong seminars held each summer in the FI classroom have been very successful in providing an additional opportunity for biblical education for those who are able to attend. A number of people plan to return every year for the classes and fellowship.

This year we will be offering one seminar in the new building, which is in McKinney, Texas. The seminar will be five days long, beginning on Monday morning and ending on Friday afternoon. The dates are July 15-19, 2019. The seminar will offer 29 one-hour classes taught by a variety of instructors and administrators from the headquarters office. The cost for the classes is \$75 per person or \$125 per couple. As in the past, we plan to provide a light lunch each day at no additional charge.

Because of the move to the new building, we will not open registration until the month of February. This will allow us to ascertain the capacity of the classroom and know how many students we can accept, prior to registration. We will make a follow-up announcement explaining the registration procedure shortly after the office move is complete.

Thank you for your interest and support for Foundation Institute

ONE ACCORD MAGAZINE PRINT COPY

(U.S. Pastors, please announce this in your congregations on the Sabbaths of Jan. 5 and 12, 2019.)

From Clyde Kilough:

Since we began publishing *One Accord*, it has been available online and, for those who requested, in print. We have concluded, though, that probably a number of members and their children miss seeing some editions if they are depending on the online version. We certainly want everyone—all ages—to be able to keep up with the Church news, spiritual articles and announcements that are conveyed through *One Accord*. Therefore, since the expense is minimal for the value received, we are planning to automatically mail a print copy to all households in the U.S. We wanted to announce this in advance so that when you see a copy of the January 2019 issue arrive in your mailbox, you will know why! We hope you and your family will enjoy having this in hand.

ACCESSING OUR LOCAL WEBSITE

Next Sabbath during the sermonette time, we are going to have a special presentation provided by members of our technical crew in all 3 congregations. The presentation will update us on how to access our local members Webpage and utilize all the features the website has including access to sermonettes and sermons, announcements, and the speaking schedule.
