ROANOKE DINNER DANCE

Received information from Larry Lambert that they are planning a Family Dance & Pizza night in Chatham, VA on November 16th. Chatham. Chatham is about 20 miles north of Danville, VA. Mr. Lambert will send more details later in case anyone is interested in joining them.

GREENSBORO SABBATH SCHOOL

Sabbath school classes are planned as followed:

June 1: Ages 4-7

June 15: Ages 8-11

Please arrive 45 min before church. Class will last about 30 minutes. If younger children need the restroom during class they will be escorted to their parents.

Thank you to those who have signed up! Several have told me in person, which is fine, but signing the sheet to have a full list of those attending and ages would still be helpful for planning. Any questions please email:

Time of services will be 10:30am and 2:30pm. Lunch can be brought to the facility, or there are plenty of restaurants nearby.

THE SOCIAL SURVEY

Those of you with email should be aware of the social survey we are conducting.. This survey is being conducted to help determine interest in combined church socials that give opportunities for members of all three congregations to come together to enjoy a social activity together.

Various suggestions have been made and are included on this survey form. We would simply like you to indicate whether you would plan to participate in the type of social activity mentioned on the form.

We've also provided room for you to include other social activities you think might be an enjoyable combined social for our congregations along with any other comments or suggestions you would like to make.

Most of us completed the survey last Sabbath, however if you were not here, or have not yet completed your survey, they are available on the information table. Please complete a survey today and leave it with Martha Roark in Hickory; Bev McKnight in Greensboro, or Julius AungMin in Raleigh
Information will be compiled and analyzed to determine and plan the type of socials you are most interested in.

After returning from the Conference in Texas, the Kelley's are in Ohio for a few days' vacation. If you need to reach me, I'll still be available via phone and email. We'll be returning home Tuesday evening and back to work on Wednesday, May 28.
