## **MEMBER DATABASE UPDATE COMING**

In an effort to update the membership information that is on file at the Headquarters Office, a comprehensive database update is being prepared that will provide Headquarters with the most up-to-date accurate information regarding the members. This will include:

- Name
- Address
- Emails
- Phone numbers
- Baptism date
- Birth dates (including dependents)
- Marriage date
- If you have an Ordination status

You will soon be contacted to provide all this information to the Pastor who will then need to confirm any discrepancies with you. Corrected information will be made to the Pastor's local files as well as given to Headquarters Office on the form they will provide. It would be very helpful if you could begin compiling this information and be ready to reply quickly to the coming email with all the needed information.  
Thanks!
